OUT OF THE BOX
MOBILE PRESENTATION SYSTEM

THE NEXT EVENT WILL COME FOR SURE.

OUT OF THE BOX is a high-quality presentation system that represents a benchmark in advertising technology and exhibition stand construction that is as simple as it is practical - developed for the needs and requirements of companies that are looking for a new presentation system that fits their needs.

ALL INCLUDED. NOTHING MISSING.

The elements of the system are entirely incorporated in a car trailer in which they can be transported and stored as well. OUT OF THE BOX is the unique synthesis of professional appearance and maximum mobility. Easy and quick to set up and just as quick to pack away again.

OUT OF THE BOX - a mobile, modular and customizable presentation system for every occasion.

Exhibition stands between the sizes of 1 m² and 40 m² can be set up without great expenditure of time and resources. The perfectly adapted trailer includes walls, covered in your design, high-quality furniture and lots of accessories. Your benefit: A system that is flexible, mobile and durable.

A TRAILER WITH
MANY FOLLOWERS.

The concept: All high-end components are stored on a **car trailer**. For optimum storage and transport. Unloading and reloading directly from the trailer. Whatever the occasion, whatever the circumstances: with Out of the Box you are prepared.

The equipment: **interchangeable fronts** on 'Frameless'-frames, a **large sturdy counter with stool(s)**, **refrigerator**, **coffee machine**, **monitor**, etc.

Weatherproof advertising space: The trailer can be parked outside. No extra indoor space is needed and additional storage costs can be avoided.

That's it: The unique synthesis of professional appearance and **maximum mobility**. Everything stowed safely and properly, in the most compact way.

SUSTAINABILITY AND FLEXIBILITY COMBINED.

MORE SUSTAINABLE ISN'T POSSIBLE! AN INVESTMENT IN THE TOP VERSION - „OUT OF THE BOX PREMIUM“ PAYS FOR ITSELF AFTER THREE EVENTS WITHIN ONE YEAR AND IS ENVIRONMENTALLY FRIENDLY.

Due to our high quality materials and the safe storage in the Out of the Box trailer, the system can be reused 100% for different events over the years. By storing and transporting the system in the perfectly adapted car trailer, you can dispense with additional packaging for the components and save unnecessary waste. Set a sign for sustainability and switch to Out of the Box now. A system that is aware of its responsibility.

We try to spread a sustainable, environmentally friendly idea. This is why we are a member of the **TREEDAY.NET** platform, which is listing and rating sustainable companies in your area. Furthermore, we support a reforestation project in Ethiopia for the fight against erosion. In close cooperation with women's and farmers' cooperatives it finances tree nurseries and the reforestation of eroded mountain slopes and hills with tree types that are native to the region.

THIS IS HOW
YOU BECOME
THE TOP-BRAND-
AMBASSADOR.

The sky is the limit. And much more.

With the development of our **LARGE** system we have tried to offer our customers the possibility to also ship their premium exhibition stand, in sizes between **1 m²** and **40 m²**, worldwide. We know that your time is precious. That is why our system has been developed in such a way that only **two people** can simply set it up in about **60 minutes**.

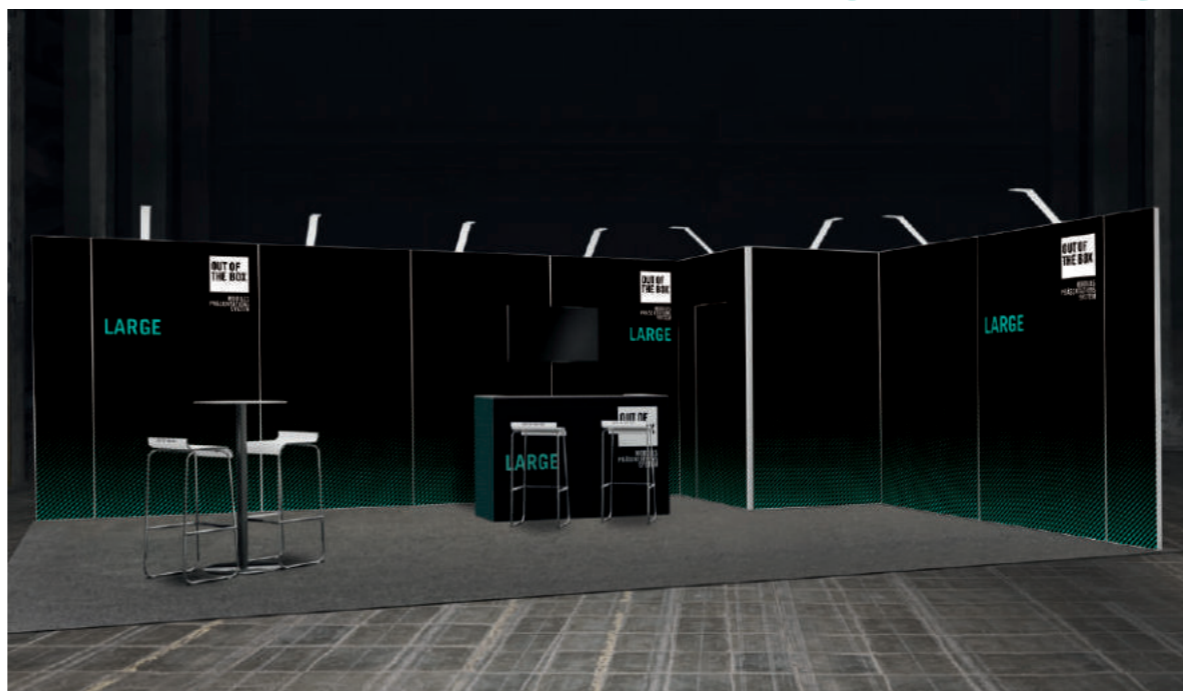

Easy handling: **OUT OF THE BOX.LARGE** is safely packed within the **smallest space**. Due to a 4-sided **movable sub-structure** shipping via truck, train or plane is easily made possible.

Interchangeable fronts on 'frameless'-frames, a large **sturdy counter, refrigerator, coffee machine, screen** and much more - the perfect composition of all high-end components support a first-class presentation at all fairs and events.

Your future tradeshow appearance!

With the **OUT OF THE BOX-Start-Package** you are prepared to realize a complete presentation stand. Due to its well designed construction it is compactly stowed away in two carrying bags and therefore can easily be transported in a car. Furthermore, it offers a high-quality and durable alternative to the conventional roll-up and can be set up as well as taken down by one person in 10 minutes only.

With the Small-System you can realise a small but high-quality presentation stand while at the same time communicate your marketing message in a convincing way.

The equipment including a desk and our 'frameless'-frames with **interchangeable designs** withstands even high demands.

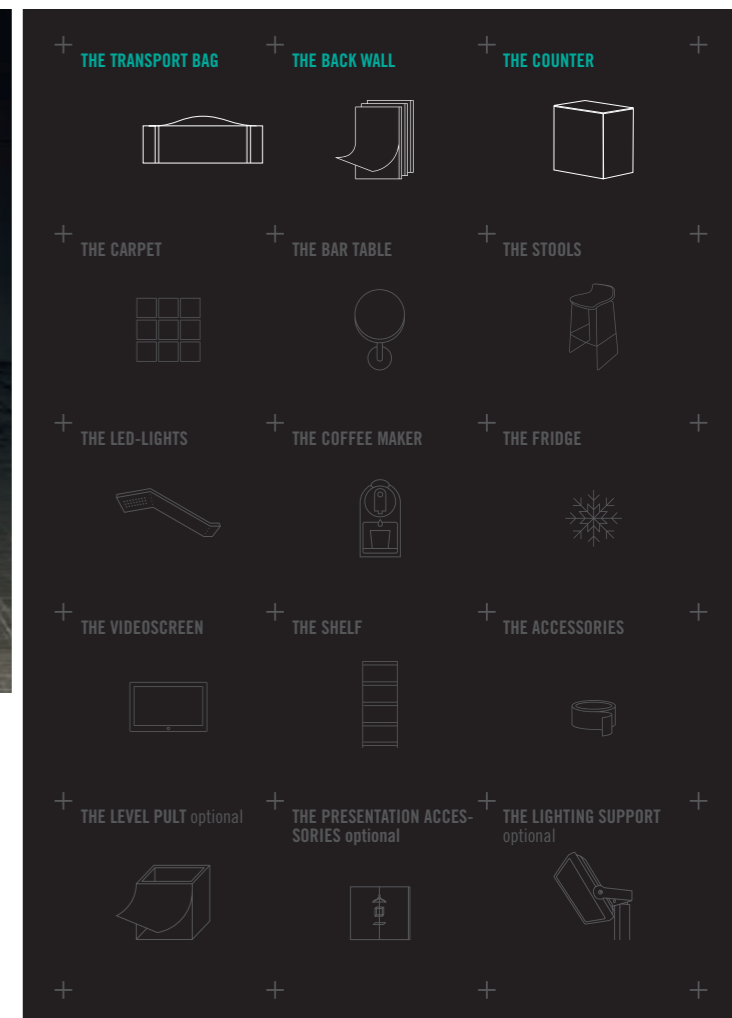

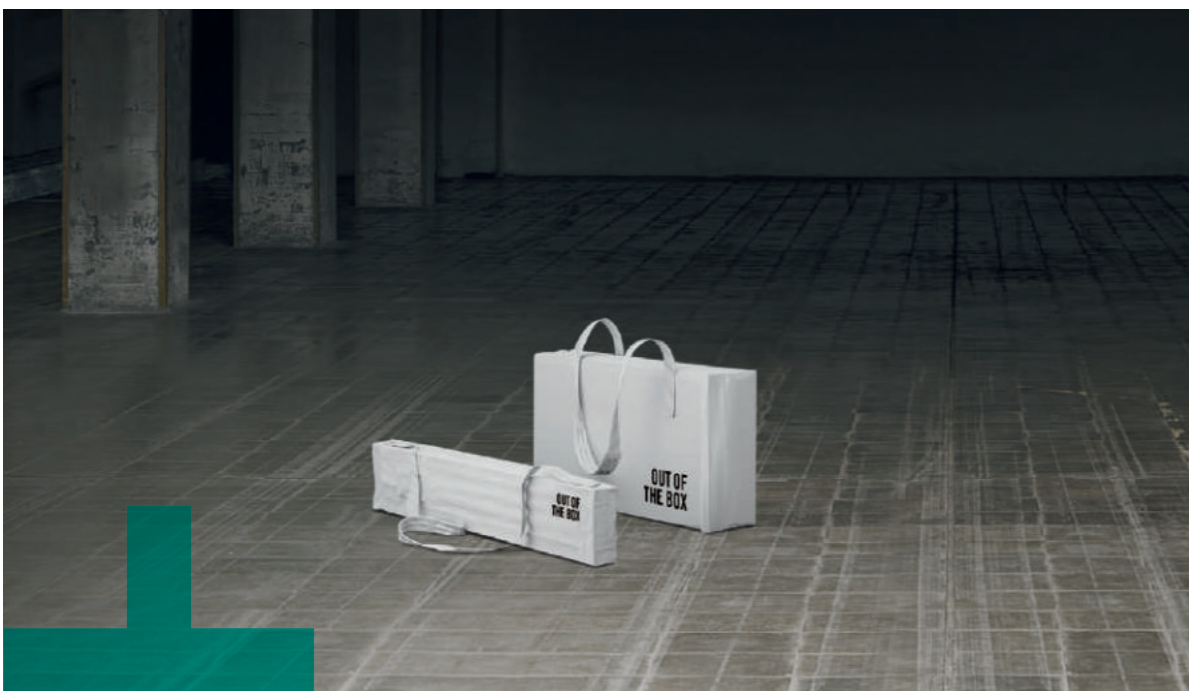

Space-saving and **easy to transport** in any car: Due to its low weight, **OUT OF THE BOX.SMALL** can fit into just two specially designed transport bags.
